

# The 2026 International Power Electronics Conference -ECCE Asia- (IPEC-Nagasaki 2026 -ECCE Asia-) Instruction for Poster Sessions

## Poster Session Overview

Poster sessions will be held at the Event & Exhibition Hall (1F), Dejima Messe Nagasaki.

Each presentation is assigned one poster board.

“No Show” papers will not be included in IEEE Xplore.

## Poster Preparation

Presenters are encouraged to prepare their posters using the provided template.

Please follow the template and include the presentation number, title, author name(s), and affiliation(s).

Institution logos may be placed at any position on the poster.

Please print your poster in A0 size (portrait) and bring it to the venue on the day of your presentation.

## Poster Setup

Presenters are required to mount their posters on the assigned board during the setup period.

Posters should be mounted in portrait orientation (A0).

Pushpins will be provided at the venue.

No electrical power or audiovisual equipment will be available.

### Presentation Guidelines

At least one author must be present at the poster board during the core time and start the presentation at the beginning of the session.

Session chairpersons will confirm the presentations during the core time.

If only the poster is displayed without an actual presentation, it will be treated as a “No Show.”

### Schedule

		Poster Set-up	Presentation	Poster Removal
Poster Session 1	June 2 (Tue.)	10:15-12:20	12:40-14:00	14:00-16:20
Poster Session 2	June 3(Wed.)			

Posters must be removed promptly after the session.

Any posters remaining after the removal time will be removed and disposed of by the Secretariat.

## Attendance

All poster presenters are required to check in at the "Poster Speaker's Desk" with their name badges before presentation core times.

Presenters must present at their boards at the beginning of the scheduled core time to arrange their posters and check that all necessary supplies are available. During the assigned core time, **at least one speaker** in authors' list of the paper must be present at the poster board for explanations. Session chairpersons have the responsibility to determine/confirm whether papers have actually been presented.

The papers without check in and presentation during the core times will be handled as "No Show Papers" and not be included in IEEE Xplore.
